THE PROJECT

Azura World, Turkey's largest Residence & Hotel & Entertainment concept project, in the most beautiful location of Alanya, on its own land and with its own resources becomes the symbolic project as a result of the 40 years of experience of Cebeci Group A.Ş.

Situated on one of the best locations all around the Mediterranean, surrounded by orange gardens and the seashore, here comes the Azura world.

We are excited to bring a new beauty to Alanya with its flamboyant facades and aesthetic interiors. Kitchens, bathroom, living room, bedroom, walkways and even the private beach - every single part of the project was designed at it's best to make your living space full of comfort and joy. Hundreds of different facilities are waiting for you at Azura World.

Four season holiday in Azura World, stretching blue to the sea, is the star of the new generation residence, hotel and entertainment center lifestyle!

Azura World turns small details into great elegance, inviting you and your family to a life full of privileges. Rediscover your best version of holiday at the Mediterranean coast, walking distance away from the sea.

LOCATION

The project is located at a distance of 15 km from the Alanya downtown, in the "Türkler" district, known for its 5-star luxury hotels. An idyllic location within walking distance to the sea, with a privileged architecture, a seductive blend of the naturalness of the orange scent and five-star comfort.

"Türkler" is a newly developing district. Far from the noise of the city, the area is surrounded by the gardens and mountains from the north and a blue sea from the south.

DISTANCE TO THE SEA: 300 M.

Location is surrounded by the 5-star luxury hotels, shopping mall, "Sea Park Alanya" aquapark and dolphinarium and the football grounds.

PROJECT FACILITIES

AQUAPARK

The project offers its future residence members several options for outdoor activities for both adults and children.

Azura World is not just a place to live in, it is a project with a vibrant and diverse infrastructure.

The aquapark zones are divided between: children and adults. There will also be a cafeteria within the site.

The neighboring area is reserved for sports grounds for those who like to play with the ball.

LUNAPARK & KINDERGARDEN

The World of Azura is a special place. And every detail of this project has been made with the expectation that future residence members will have an access to everything they desire.

The project will have its own amusement park with playgrounds. Residence members will always an opportunity to be able to entertain their children and have a good time themselves.

Another feature is a kindergarden. This is undoubtedly a significant bonus for large families with children. Kids to be nearby and being taken care of in the same time.
